Remarks

The above-identified international application was filed with the Great Britain Receiving Office on 18 March 2005. At the time of filing the title was

COATING OF A POLYMER LAYER USING LOW POWDER PULSED PLASMA

IN A PLASMA CHAMBER OF A LARGE VOLUME

Applicants submit that this was a typographical error at the time of filing and that the application is not related to a "powder." For this reason, Applicants request that the title of the application be amended.

Respectfully submitted,
